SLICES ON THE GO

Boost pizza-by-the-slice sales with the **Pizza Scoop**, an invention that caters to on-the-go customers by transforming pizza into a one-handed meal. The design allows a piece of pizza, folded lengthwise, to be placed in its fitted slot; simply add a paper wrapper around it. 306-922-3426, scoopofpizza.com

MAKING MESSAGES STICK

Magnets.com produces custom refrigerator magnets for thousands of pizzeria operators, thanks to low prices, and seemingly endless designs and shapes from which to choose. 866-229-8237, magnets.com

GLUTEN-FREE

Eliminate concerns of cross-contamination and potential liability when serving gluten-free pizza in your store with Domata Flour **gluten-free pizza crusts**. You can customize your taste profile when you order frozen 10" or 12" crusts, manufactured under the approval of the CSA. Domata also provides its own selection of premade pizzas, including cheese, pepperoni, sausage or combo. 417-654-4010, domatalivingflour.com

WARM WELCOME

Target new residents with **Our Town**, which helps families adjust to new communities and helps businesses gain new loyal customers. The company offers exclusivity (competitors will not mail in reserved ZIP codes), and exclusive sponsors can request oversize, full-color postcards to be mailed anytime, anywhere. 800-497-8360, ext. 257, ourtownamerica.com
